Greetings from MUTHAMIL PUBLIC SCHOOL,

The new session brings an air of excitement and it is the time when each one of us enter the portals of the school with a new hope and dream. It promises a lot of events and activities for the children which cater to their Holistic Development, trains children to widen their intellectual boundaries and enjoy the freedom to experiment. Each month a series of **House wise** activities and competitions will be conducted for the students to hone and strengthen their inner potential. Your cooperation is always solicited.

Kindly note the following: Earth day is celebrated to create awareness about the need to save our EARTH and thank Nature for all its bounties. This year, Earth Day's global theme is **'Invest in Our Planet'** Therefore it is the day when we pause to think about the Earth and its wealth in the form of **Flora and Fauna**. Keeping in mind the above said, the details of the competitions for the students are given backside.
