Date: 21.04.2022

Circular

**Dear Parents,
Greetings from Muthamil Public School !**

“Books are a uniquely portable magic.” Book fairs are an appetizer for further reading and play a positive role in encouraging the development of reading habit among all age groups. MPS is always looking for multiple avenues to encourage and enhance the love of reading in all its students. For this we arrange book fair in association with Bharathi Publication on 22nd April, 2022. Students will be offered a wide selection of books on special discounted rates. Parents may visit the book fair tomorrow between 11 am to 4.30 pm.

Kindly send money with your child to instill the love of reading and encourage them to buy books for their personal collection.
