Dear Parents,Greetings from Muthamil Public School!

The academic session 2022-23 has begun in full swing and students are connected well with the teachers lively. Now with the summer temperature soaring high, children look forward to vacation time when they can relax and basically chill out enjoying those little pleasures of life which get left behind during the busy school routine.

Summer vacation begins from 7th May, 2022 in our school. To enjoy the last working day of this month, we have planned for water play on 06.05.2022 for Grade 3 to 5 children in our miniature water fall. In this regard kindly send spare dress or swim suit (Head cap, Glass) for your ward to play in the water. Also send spare innerwear, towel and a polythene bag with them to keep the wet clothes.

We have brought an interesting holiday homeworks to keep the **BOREDOM AWAY!**
