Dear Parents,Greetings from Muthamil Public School!

A warm welcome to all the children of MPS after a Joyful Vacation!

We are going to celebrate, **World Environment Day** on **7thJune 2022** in our school premises. The program is scheduled at 09:00 am. **Mr. Vishnu I.A.S. Tirunelveli District Collector** would grace the function as our honorable Chief Guest.

We have organized a **SPECIAL ASSEMBLY** in our school playground to promote awareness about the need to Save Water, Save our Planet Earth, and thank nature for all its bounties.

The successful implementation of the initiative can be achieved only with the support of citizens. With this motto Thiru. Vishnu I.A.S is going to inaugurate our **SEED BANK** in Block 1 and children can choose their favourite plant's seed that would motivate them to plant the seed in their home garden. Students can bring seeds from home and contribute it in our seed bank as well.

MUTHAMIL NURSERY would be inaugurated and on the same day, saplings will be given to all our students.

There will be a general discussion and a **INTERACTIVE SESSION** between our students and the collector of Tirunelveli District, Mr. Vishnu I.A.S.

Program will begin sharply at 09:00 a.m., So kindly send your ward to board the bus from your respective stops on time and also ensure that they come in proper uniform and every student must wear their school shoe.
