## **Circular for UKG**

Dear Parents

Greetings from Muthamil Public School!

**“The most important period of life is not the age of University studies but the first one, the period from birth to the age of six”**

- Dr. Maria Montessori.

With her thought our tiny tots are going to celebrate **“Montessori & Orange colour day”** on 26-8-2022. So kindly dress up your ward in orange colour.

We invite all the **UKG** parents to witness the program on Friday 9:35 am.

Thank You
