Circular – Grand Parents Day

Dear Parent

Greetings from Muthamil Public School!

“The elders of each family have the responsibility for setting the moral tone for the family and for passing on the traditional values of our nation to their children and grandchildren.”

On **September 11, 2022** we are celebrating “**Grand Parents Day**”. As we all know Grandparents tie a knot from the past to the present and pass on important values to the next generation. Their wisdom and love are recognized every year on this day. Most grandparents don’t care about what activity they do, they just want to spend time with their grandchildren. So, on this day we want our Kids to spend ample time with their Grand parents. Here are some suggested activities they can do along with their grand parents.

1. Grand Parents Have More Wisdom Than We Think

Our grandparents have seen all kinds of things and lived a lot, through all that living it's not surprising that they learned a thing or two. They have so much to pass down and we should take some time to listen. **Hear their good old stories.**

2. Have a Family Dinner

Family time is hard to come by nowadays but organizing a family dinner with your grandparents, parents and siblings is a great way to spend time together. Besides we get to have some good old fashioned home cooking too! **Try making one of the dishes that your grandparents usually make for you.**

3. Enjoy a Hobby Together

Ask them to show you one of their favorite hobbies .Your grandma might be good at painting or your grandpa might love to solve puzzles on Sundays. A bit of company would brighten their day and you’ll probably have more fun than you thought you would.

4. Spend Time with your Grandparents

Sometimes we forget just how important and special our grandparents are. They have a lot more free time on their hands than we do and we know that even our short visit would make them happy. Perhaps they enjoy nature walks or nature hikes. If your grandparent would prefer a calm day, ask them to show you their favorite classic movie.

No matter what, the best Grandparents Day activity involves you and your
