## Math Gymmicks

**M**ath Gimmicks was fun with math and celebrating the National Mathematician Day. Our Kinderjoys showcased a special song cum dance that kept the audience mesmerized. The little minds made their tables with math concepts on shapes, numbers, the orders, sequences and more magic and tricks with numbers. It was indeed a bravo fun dip day with numbers and the gimmicks. Parents too played brainvita and 7 up and country game that added to the essence of math. The whole family of our school was busy with math. It was a true spirit of celebrating sir Srinivsan Ramanujan's birthday...

**W**e have initiated Muthamil Media Club to tap and bring to light the hidden skills and interests of our students. The students of our school had an interactive session on theatrical skills. The four phases of the program scripting, acting, making & post production is introduced and students of grade 6 - 8 will be grouped accordingly. A complete studio with green mat, audio recording room, editing cabin is under construction. This is an open opportunity to cull out children's creativity @ Muthamil Public School.

Proud moments of our students making triumph by bagging medals @ Shobukan Karate Association of India 15th National Level Open Championship 2019. Congrats Students...

**1** 38th Birthday of Mahakavi Bharathi, pioneer of modern Tamil poetry and also one of the greatest Tamil literary figures of all time was celebrated @ Muthamil Public School with his favorite songs and poetry recited by our students.

# White Day

The kinderjoys of Muthamil Public School celebrated White Day. The day dawned with special glow because our students attired themselves in white. They displayed their skills on speaking on objects of white, sang songs and entertained the parents with a dance number. Each little science explained about the various properties of water. The parents enjoyed making creative brick building with their kids. Sprinkles of cheer, joy and happiness spelled their essence in the campus.

Water play at the school waterfalls was refreshing and close affinity with the effect of water that deepens a relationship with nature. Plant a tree and you invest for many years pristine air and tending of nature. Our students receive a gift of sapling every new year and together well their grow plants. This is venture with nature and care for them. Caption for the above Waterfalls and Nurture Nature.
