NEWS LETTER

Commencement of online classes:

The scholarly fraternity of the Muthamil family reopened school through online session from June 1. The facilitators have since then been imparting quality education. It is the vision of the school management to give the best education to the curious, innovative and scientific tempered blooming buds of Muthamil. The overwhelming response from the students and parents shows the solidarity of the Muthamil family for the cause of education. Management extended its services by providing Books and Notebooks through door delivery following all safety measures. The online classes reopened without the irritating Van's buzzing sound and emotional attachments, but in the splendor of each pupils home in their best comfort zones - "Home-Sweet Home!!"

Special training given to facilitators for the conduct of online sessions:

The school management took the initiative to give technical training to the teaching fraternity with the help of the technical team and upgraded the faculty members on the do's and don't's of the online sessions. The crucial role of Hosts and their responsibilities was briefed during the training sessions. We need technology in Every classroom and in every student and teacher's hand, because it has replaced the pen and paper of our time and it is the lens through which we experience much of our world.

Our Office:

Muthamil office has been a buzz of activities from the day of reopening. The vibrant, robust and strong office team geared up for the new academic year with great zeal and enthusiasm. We have not left any stone unturned to keep the show going. All support needed to run the online sessions to attending queries of parents, visitors, and new admissions has been dealt with care and compassion. All standard precautionary safety measures have been followed during this pandemic season. Kudos! To the tremendous hard work, perseverance and commitment of the core team of the Muthamil family. Their Mantra is Give a thoughtful feedback, Respect each other, be on task, Make use of your best effort Participate actively and Speak softly.

1st staff meeting for the academic year 2020-21.

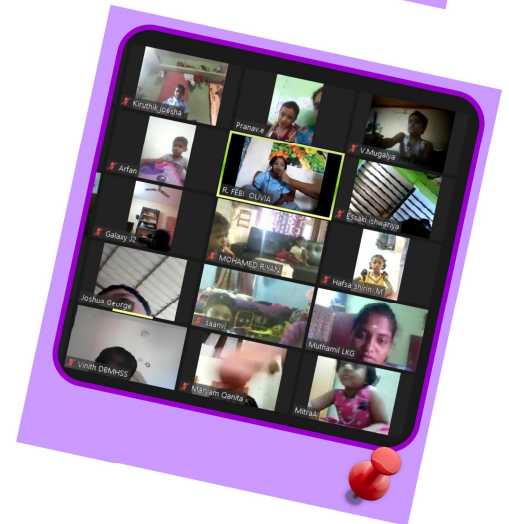

The subject experts of the school gathered for their first introductory session at the school's state of the art conference hall. It was a productive session with an overflow of positive vibrations. The Maiden address was given by the School Correspondent who emphasized the need for Hard work and the need to be effective teachers.

The New Principal Mr. Suraj Reghu was introduced to the staff members. While addressing the faculty members the Principal spoke about 21st century skills, classroom management, interpersonal relationships, code of conduct for faculty members and commitment to one's calling to be a teacher. Teaching is more than imparting knowledge, it is inspiring change. Learning is more than absorbing facts, it is acquiring understanding.

Introductory online session for kindergarten kids.

The tiny tots were greeted on their first online session with a colourful and creative presentation by the Montessori trained faculty members. They welcomed and entertained the kids through story telling and a lively puppet show. A child's life is like a piece of paper on which every person leaves a mark. These tiny tots are confident in spirit, infinite in resources and we create a learning environment which is fun and exciting. We make their early learning experiences which are crucial factors for the child's emotion, intellectual, cognitive, social and physical development.

Online training sessions for facilitators

Special training sessions offered by the Board was attended by faculty members on fashion design, Fit India awareness program-Whole school approach to fitness, sustainable green school. These orientation sessions have been an eyeopener for the members thereby equipping them to impart quality education to the students.

Information to students about competitions

The pearls of Muthamil were enlightened through various circulars on the opportunities available to participate in competitions to be conducted by ISRO and Reading day based competitions, Yoga based competitions.

Celebration of Reading Day: Reading is essential for those who seek to rise above the ordinary. Reading is the basic tool in the living of a good life. Reading day was observed by taking a pledge and thereby asking the students to take it from home. The importance of reading was emphasized during the celebration. Students were encouraged to participate in the various competitions related to Reading.

International Yoga Day

Yoga is the journey of the self, through the self to the self. The students participated on the live Yoga session conducted by the Board and performed many asanas related to it. They participated enthusiastically and understood the value of Yoga. The address given by the Prime Minister and live evening session was watched by the students and parents.

Conduct of Assessment1 : The online 1st assessment was conducted for classes 1 to 10 from 29th onwards to motivate students to study better.
