NEWS LETTER

An Environment is everything that is around us, which includes both living and non-living things such as soil, water, animals, and plants, which adapt themselves to their surroundings. It is nature's gift that helps in nourishing life on Earth. The environment plays an important role in the existence of life on the planet earth. The word 'Environment' is derived from the French word "Environ" which means "surrounding." The interaction between humans and the environment exists right from the evolution of human beings on earth. Humans have a significant impact on the environment. As an educational institute MPS always stands first in educating children about the importance of keeping our environment clean and green. MPS celebrated World Environment Day and the function was graced by the presence of Thiru. V. Vishnu, I.A.S., District Collector, Tirunelveli.

Special Assembly was staged on 07-06-2022 in MPS to celebrate World Environment Day. Students from grades VI-XII performed a skit with the theme of keeping our mother earth pollution-free. Students from kindergarten to grade V performed a rally stating to keep the earth clean and to plant more trees. Students also gave speeches regarding environment day. District collector Mr. Vishnu addressed the students and motivated them to keep the environment clean and green.

Nursery @ MPS

To educate and develop a love for a clean and green environment, and also to play a major role in contributing to a green environment MPS established a nursery on 07-06-2022 on campus. Our Chief Guest Thiru V. Vishnu, IAS, District Collector inaugurated our Nursery. Saplings were also distributed to students to know and understand the importance of plants and trees in our life. Students were excited and happy to receive plants from the school.

A seed bank is a place where seeds are stored to preserve genetic diversity for the future. Seeds are very important as they grow up to be trees or plants which in turn play a major role in our environment. On 07-06-2022 MPS placed seed bank on campus and our Tirunelveli district collector Mr. Vishnu inaugurated our seed bank. Students were also permitted to take or donate seeds. Many students enthusiastically participated.

Q & A session was arranged with our district collector. Many questions were put forth by our little "Exquisite minds". When asked the collector what would have been if he could not be a collector. He answered that he would have joined the Navy. He was also asked if there are any steps being taken as the trees are being cut down along the

roadside, he replied for the betterment or industrialization of the place trees are being cut down but at the same time, they are also ensuring that more trees are being planted. He was also asked who inspired him to be a collector and his answer was that it was his mother. Students had a good time and learned a lot during the Q & A session as there were many aspiring young collectors as well.

The election is a process where the citizens directly participate in the democratic processes of the country. The citizens of the country get a chance to freely choose a representative without any force of choosing one particular person or party. Every citizen must be aware that it is we who choose our leaders. The best place to educate is school. We can imbibe in students the importance of the election. Young leaders are also generated from schools. All the nominees for the student council members enrolled their names and were thrilled and excited to take part.

Election Rally 2022

All our student council members went for an election rally. The students met all the other students and asked to vote for them. They gave their speech in which they made promises to help other students and to work towards the betterment of the school. Our students were enthralled by the speech delivered by the students council member / nominee. It was a moment of excitement for our students as they had to make or choose a leader for them.

Muthamil followed the same pattern of voting as the Public Voting method. We had a dedicated team of teachers as the Election Commission team. Students had the experience to vote for their senior students and their friends. Students from every grade were given voting ballot form and asked to fill it out to exercise their right to vote. Electoral ink was applied to the forefingers of voters during election. They had their hands-on experience with the actual voting method. All the students played their roles to vote for the student council member.

Saturday is an activity day for all our students. It's the time when students can participate in different activities and bring out their inner talents. IN MPS students from Grade VI-VIII participated in Cooking without fire. Students brought their own materials and were well prepared for fireless cooking. Every participants also gave a brief description about their food and also spoke about the nutrients value available in each dish. Varieties of dishes were displayed by our students. Essay writing competition was conducted for students from

grade VI to VIII. All our students participated in Essay writing regarding Father's Day. Students were very creative in writing. Every father plays a vital role in a child's life and our students had a chance to express their love to their father's through writing. We had a team of teachers judge the whole event. Students enjoyed the event.

Muthamil Public school hosted Parent Orientation on 18 June 2022 on campus for all the parents of students from grades IX to XII. This orientation program was to familiarize the parents with the new classes, to create awareness about the teaching methodology, and functioning of the school. Apart from education, this session also focused on parenting skills. Dr. C Paneer Selvan MBBS, MD (Psych), NIMHANS, Director & Chief Consultant Psychiatrist from Tirunelveli, and Dr.Noorul Hasan M.B.B.S, MD (Psych), NIMHANS Additional Consultant Psychiatrist shared some major points on how to handle this young generation and motivate students for a brighter and bigger future. Many parents attended this event.

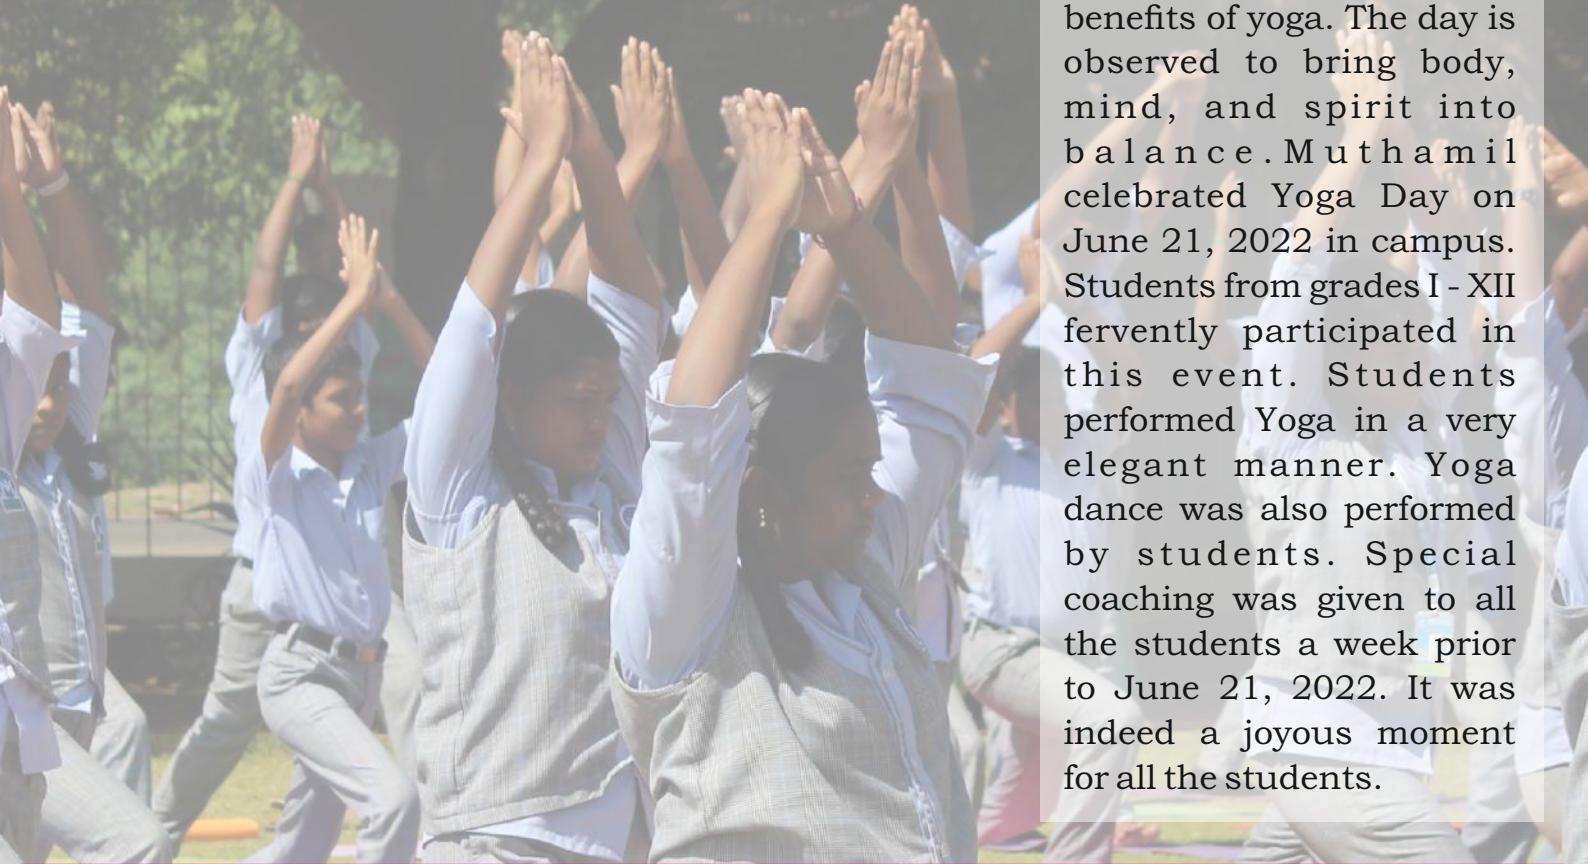

Primary school students can develop skills in leadership, communication, team building and civic engagement through inter-curricular programs in agricultural education.

International Yoga Day

The International Day of Yoga is widely celebrated across countries in a bid to raise awareness regarding the importance and benefits of yoga. The day is observed to bring body, mind, and spirit into balance. Muthamil celebrated Yoga Day on June 21, 2022 in campus. Students from grades I - XII fervently participated in this event. Students performed Yoga in a very elegant manner. Yoga dance was also performed by students. Special coaching was given to all the students a week prior to June 21, 2022. It was indeed a joyous moment for all the students.

THE REAL HERO!
My father is brave and
he is sweet;
He taught me how to
write neat;
He is brave, strong
and smart;
I love him with my
whole heart;
He is a family lover
and very emotional;
His advices are always
motivational;
He is my world and he
is my hero;
I remember the days
when I was a zero;

But now I am wise
because of my father,
who is a real Hero
And a very
'Happy Father's Day'
to all the real heroes.

World Bicycle Day

World Bicycle Day is celebrated on June 3 every year to recognise the importance of the bicycle across the globe. It is the United Nation's attempt to recognise the uniqueness, longevity, and versatility of the bicycle. To celebrate World Bicycle Day MPS knowing that the use of a bicycle by an individual can promote health and prevent disease and also facilitates social inclusion, has many bicycles on campus, and encourages students from all grades to ride bicycles on campus after school hours. In MPS Yoga was conducted for all the grades as per the CBSE guidelines.

Say YES to Life, NO to Drugs

CBSE also organized an E-Pledge 'Say Yes to Life, No to Drugs'. Our students took e-pledge to fight against the menace of drugs, to create awareness about the ill effects of drug abuse by encouraging every person, especially the youth so that the youth of India can live drug-free and they can also be creative and important members of the society. Students were given awareness about how drugs completely destroy the future. After the e-pledge students received e-certificates.
