

MPS

SUMMIT

NEWS LETTER

International days are occasions to educate the general public on issues of concern. United Nations Day, on 24 October marks the anniversary of the entry into force in 1945 of the UN Charter. United Nations promotes international awareness and action on different issues. The United Nations (UN) is an intergovernmental

organization whose stated purposes are to maintain international peace and security, develop friendly relations among nations, achieve international cooperation, and be a centre for harmonizing the actions of nations.

MOCK UNO @ MPS

Here in MPS, we conducted a Mock UNO Assembly during school assembly time to educate students on how UN assembly is conducted. Students from grades 5 – 8 participated in this event and enacted a session of UNO's assembly.

A mock Q/A session was conducted and students representing different countries, questioned WHO and UNICEF, few students representing WHO and UNICEF responded to the question that was put forth to them.

World Health Organization (WHO) and UNICEF are the United Nations agency that connects nations, partners, and people to promote health and to keep the world safe.

This was a very educative and informative morning assembly conducted in MPS.

PLANT DAY @ MPS

MUTHAMIL PUBLIC SCHOOL

When we plant trees, we plant the seeds of peace and hope . Plant day is celebrated to create awareness that we altogether can play vital role in protecting the environment through personal involvement. MPS tiny tots celebrated plants day to create awareness among the young minds about the invaluable resource on our planet- plants and trees. Students were taught the important role trees play in our environment and ecosystem. Children also spoke about the process of sowing the seeds, the various phases undergone in becoming plants and also about the importance of air, sunlight ,water and soil in the plant growth. Later they planted a sapling under the guidance of their teachers in our school garden and explored the types of plants in our school garden. Let us love and nurture beautiful green earth for our next generation.

ACTIVITY ON INSECTS

"If I could turn myself into any bug or insect; I would like to be a butterfly and fill colours, beauty and happiness in other's lives". Insects always add an extra quotient of curiosity to children. Muthamil Public School's kinderjoy's celebrated and learnt about Insects on 4-11-2022 Friday, they were introduced to basic facts of how Insects are unique – insects have 6 legs, head, thorax and abdomen. Interesting presentations were displayed for students to understand the harmful and useful insects that they see all the time in their yard. Children were amazed to know certain interesting facts about insects like butterfly tastes with their feet, dragonfly can fly backwards, etc. Children from LKG & UKG spoke about few insects. Their enthusiasm doubled up when they drew few insects and coloured them in the class. Beautiful movements are captured and shared with you here

ACTIVITY ON SEASONS

The enchanting sound heard during the rainy season is the sound of the rain dropping down with the magnificent indifference of nature for the tangled passions of humans"

Rainy day is always a fun time for the kids. Our Muthamil tiny tots enthusiastically performed their seasonal activity. They brought umbrellas, raincoats, sweater, jackets, scarfs, mufflers and wore cotton clothes, brought juice and flowers. Students were taught about how frogs and other

insects are commonly found during the season. Students were also educated to have healthy food and always keep themselves warm during the rainy season. Few students also recited poems based on rains. The kids really had a festive time with their friends and teachers. Season's day activity was full of fun and frolic.

SUBJECT BASED ACTIVITY

"I hear and I forget, I see and I remember, I do and I understand". "Messy places" allow children to build, imagine, experience, investigate, explore, create, observe, predict and use the senses". Our Muthamil Public school Grade I and II students performed different subject activities like air has weight by blowing the balloon, making and flying kite and made paper boats. In maths, students framed simple words that had numbers. Students had to join the words and find the sum. In Hindi two and three letter words were formed and students matched the same with consonants. They had fun thumb impression and did flower print activity.

AQUATIC ANIMALS DAY

The oceans produces over half of the world's oxygen and absorbs 50 times more carbon dioxide than our atmosphere. Covering 70 percent of the Earth's surface, the ocean transports heat from the equator to the poles, regulating our climate and weather patterns". With an objective to trigger the curiosity of the children on sea animals "Aquatic animals day" was celebrated by the blooming buds of Muthamil Public School. It provided an opportunity for the little ones to explore the amazing treasure of marine creatures that thrive in the deep oceans. Children were fascinated by the colourful sea animals like octopus, starfish, jellyfish, turtle etc. The young ones spoke about their favourite marine creatures. Besides, the boards were decorated by different marine creatures, scuba divers and swimmers which help them to explore the marine world. Children drew pictures of different sea animals and coloured them. They showcased their creativity by leaf art fish activity. Children were taught that ocean is precious as it is a storehouse of treasure and it is our responsibility to safeguard the creatures created by God. The activity inspired children to take better care of the ocean and leave a legacy of pristine sea to the future generation. The day was well spent admiring the beauty of nature and the life of the lovely creatures underwater. As a part of the event, story on sea creatures was told which provided an opportunity for the children to learn more about marine environment conservation and sea life. It was a day filled with excitement and joy which helped the students to celebrate the different aspects of marine environment.

HONOURING OUR MPS GIRLS

EDUCATION IS A VITAL PART OF A LIVING BEING, WHETHER IT IS A BOY OR A GIRL.

Even though people are aware of the importance of Girl Child Education, many girls do not have the privilege to have a formal education. To build up and encourage Girl Child Education, Rotary Club, Tirunelveli took the initiative of identifying Girl students with top marks from 25 Schools in Tirunelveli and awarding them. We are privileged to be one of the schools to receive honours. Two Girl students from Grade XI were selected based on their X marks and two girl students from grade XII were selected based on their XI grade marks. These students received certificates and medals. MPS gladly thanks the Rotarians for encouraging out students.

KWIZTOPIA - LEARNING MATTERS

Quiz is something that is admired and enjoyed by all age groups. Quiz builds an environment of learning in a fun way. "Learning matters" organized Kwiztopia 2022. Many schools from 4 districts participated and we are delighted and overwhelmed by our exuberant students. Two teams participated from our school and both our teams made it to the grand finale and they were the 2nd runner-ups. MPS is proud of Deepak, Ezhilarasi, Fawzana and Sameera for their positive attitude and their outstanding performance in Kwiztopia 2022. Wishing a hearty congrats to all the participants.

PORUNAI LITERARY FESTIVAL

பொருதை நெல்லை பாளையங்கோட்டையில் திருநெல்வேலி மாவட்ட நிர்வாகத்தால் இன்று பொருதை நெல்லை இலக்கியத் திருவிழா தொடங்கப்பட்டுள்ளது. அமைச்சர்கள், மாவட்ட ஆட்சியர், நெல்லை தூத்துக்குடி, கன்னியாகுமரி மாவட்ட எழுத்தாளர்கள், மாணவர்கள், தமிழ் அறிஞர்கள் மற்றும் ஆசிரியர்கள் எனப் பலரும் கலந்து கொண்டு இந்த நிகழ்வுக்கு சிறப்பு சேர்த்துள்ளனர். நமது பள்ளி மாணவர்கள் பி.ரே.ம. விஸ்வா, ஸ்டேன்ஸ் ரீகன், அஸ்வின் ஆகியோர், பாரதியார், கம்பர் மற்றும் திருவள்ளுவர் போன்று வேடமிட்டு விருந்தினர்களை வரவேற்றனர்.

Butterflies are often portrayed as the essence of nature or as representing freedom, beauty, or peace. Butterfly has different colours and patterns on it is wings and it is mesmerizing to watch them. Forest department, Tuticorin jointly with ATREE organised "Butterfly walk" in killikulam, Valanadu to bring awareness on how these tiny creatures play a fascinating role in Nature. From MPS, Eco club students were endowed to be a part of this event. Our students had an interactive session with all the dignitaries/bigwigs. A huge display of butterfly art was made for students, they also had fun in colouring beautiful butterfly pictures. Our Eco club students had a alluring moment experiencing the importance and beauty of butterfly. This function was graced by the presence of Ms. Kanimozhi Karunanidhi who is an Indian politician, poet, and journalist. She is a Member of Parliament. Thoothukudi.

BUTTERFLY WALK

CBSE CORNER

Aryabhata Ganit Challenge

Fit India Quiz

Online Webinar

Muthamil Public School with concurrence with CBSE conducted educational activities.

Aryabhata Ganit Challenge-2022 Application of Mathematics in daily life needs the development of certain competencies and to promote such competencies among students through joyful assessment, Aryabhata Ganit Challenge(AGC), was organized by CBSE and conducted in MPS, mainly to focus on the extent to which children are able to apply mathematics to their daily life. The competition was held in two levels: School level and National Level. Students from grades IX-XII participated with extreme excitement.

Fit InTo inculcate fitness habits and increase awareness of fitness and sports among students "Fit India week" was organized by CBSE. In MPS, sports and games are always given high priority. The importance of sports and games is pivotal to our human health and overall existence. In MPS, our students participated in Fit India Quiz that was conducted by CBSE. These quizzes help students to be aware of how important health is.

Teachers are a crucial and integral part of the education system. A great teacher is central to a student's development and growth. So, how does one become a great teacher? As teachers, we are always concerned about the education the students receive. But rather than focusing on the classroom, we should take a step forward and think that if education is going to improve, we must work on improving initial teacher training. An online teacher training session was conducted by CBSE in collaboration with Microsoft on various topics. All the teachers from MPS attended the online webinar.
