## TRANSPORT ACTIVITY

### MPS KINDERGARTEN

To recognize the various mode of transport and to understand the transportation system of our country, 'Transportation day' was celebrated for our little leaders of the kindergarten in Muthamil Public School. The children came to school with toys or a picture of the mode of transport. They displayed it to the class as they spoke a few sentences on it. While the children enjoyed playing and sharing their toys in the classroom, they experienced first-hand knowledge of the usage of a helmet, the importance of having a license, and traffic rules that need to be followed.

Students were also schooled on various emergency vehicles like ambulances and fire brigades. Rhymes like "I am driving in my car", "two twin aeroplane", and "Engine Engine number 9" were sung by the students. In the classroom, they had activities like making a paper boat and sorting the transports. The teachers contributed by sharing valuable information with their students thus bringing to an end an interesting and fun-filled class event.

Curious moments captured are shared with you!

# TRANSPORT ACTIVITY

# THANK YOU SIR

Our district collector Thiru. V. Vishnu IAS, is a well-renowned and very vibrant personality. During his tenure as an IAS officer in Tirunelveli he has added many feathers to his cap. Being an IAS officer he has played the role of serving the central and state governments in the best possible manner. It is indeed warming for us as he has extended his hand towards the development of our district in a very jubilant way. His visit to our school had inspired many of our students. We had a wonderful moment that took us to cloud nine as we experienced Bird Watching, Cleaning the Gangaikondan Pond, Inauguration of Seed Bank and Nursery in our school campus, Interaction with MPS Students, Nature walk, Cycle rally awareness program of cleaning Thamirabarani river, awareness program on using "Manja Pai" instead of plastic bag, Nellai Book Fair, Nellai Literacy Fest and many more events. We are extremely honoured and we feel proud to have a wonderfully journey with him. A great thing can only be done by a great person; and they do it without effort and being said so, MPS wishes our beloved collector V. Vishnu IAS a well deserved success for all his future endeavours.

# QUIZ

## MPS WHIZQUIZ

A quiz is a test of knowledge between two individuals or two groups. Quiz is a fun and entertaining way of also learning new things. G20, a group of 20 countries that aims towards the betterment of financial development is the talk

everywhere. It's a proud thing as Indians for us because this year India is hosting G20. To bring awareness of G20 to our MPS students a quiz on G20 was organized for students from grades VI–VIII. Three levels were conducted. The first round was a written round for all the students. The second round was conducted on stage and a total of six teams were selected. Each team consisted of two members. In the second round two teams were eliminated. The final round was a buzzer round, which was played by the top four teams. Finally, one team was the winner of MPS WHIZQUIZ. Students enjoyed the quiz and learned a lot about G20.

## MPS WHIZQUIZ

MPS WHIZQUIZ						
Round	G11	G12	G13	G14	G15	G16
1	10 5 5 5 10	5 10 5 10	5 10 10 5	5 10 5 10	5 10 10	5 10 10
	35	30	30	30	25	25
	✓	✓	✓	✓	×	×
	-5 10		10	-5		

# Making of **BIRD FEEDER** using cardboard

Sparrow is a bird that is under threat of being extinct. It is a very small bird. Mr. Moorthy Retd Assistant director of statistics who dedicated his entire life in preserving birds and their habitats was invited to our school, to imbue our students on the importance to preserve wildlife and also to direct students to prepare bird feeders. Birdfeeder is a container filled with birdseed that is placed outdoors to attract wild birds. Our students were enthralled to make their own birdfeeders using cardboard to hang in front of their homes. This would also give the students a sense of responsibility towards wildlife. It was a fun-filled educative session.

## CLUB VALEDICTORY FUNCTION

Club activities help students to cultivate a sense of unity and work with others in reaching the same goals. Clubs facilitate students to meet, mix, and work together. In MPS, we have clubs dedicated to the benefit of each and every student. We have Literacy club, Culinary club, Eco club and Rovers of Thamirabarani, Media Club, Entrepreneur club, and Art Club. Apart from these clubs we also have farming where students get to learn on how each individual can take up farming and play a key role in the betterment of our ecosystem. All the clubs had achieved many things during the Academic year and on (18-02-2023), MPS organized a Valedictory function where students showcased all their learnings throughout the academic year from their respective clubs. Students spoke boldly and beautifully and displayed all their achievements made. This function was graced with the presence of our Guest speakers, Rev. Dr. Ignancy Arockyaa SJ, Vice Principal, St Xavier's

College, Tirunelveli, and Mr. Cricket Moorthy, Retd Asst Director of Statistics. Our Chairman Mr. Amarval Babu and our Correspondent Mrs. Jayanthi Babu added joy to the event with their presence. Our Chief guest Rev. Dr. Ignancy Arockyaa in his address stated how remarkably and magnificently each and every club presented their yearly achievements. The sole motto of these clubs was to bring interaction, peer group learning, and knowledge sharing. Field visits played a key role in the success of this journey.

# GREEN DAY

Green day was celebrated in an instructive way in Muthamil public School, where the children learnt about the importance of green colour and the positive effects it has on our lives. The campus buzzed with a series of activities like vibrant speeches, vegetable printing, leaf colouring, collage work etc. Attractive charts and drawings were displayed on the bulletin boards depicting the green colour at its best. Bubbling with enthusiasm in their astonishing green costumes the little ones created a pleasant, harmonious and refreshing aura. It goes without saying that the active involvement in this colourful activity infused in them vigor, vitality and freshness. The highlight of

this celebration were little commentators who stepped forward with zeal and confidence to deliver short speeches on the significance of green colour. The shades of green filled the air with freshness, thrill, ecstasy and bliss. It also prompted them to think how green colour energizes and revitalizes our lives. It was indeed an invigorating, reviving and rejuvenating experience....!!

# CBSE CORNER

## International Mother Language Day

Muthamil Public School with concurrence with CBSE conducted educational activities.

UNESCO in 1999 declared 21st February to be International Mother Language Day. It's a tribute to all the language that has existed from the beginning. Research shows that education in the mother tongue is a key factor for inclusion and quality learning, and it also improves learning outcomes and academic performance. To educate our students on the importance of our mother language, MPS organized a speech competition and also a handwriting competition. Students participated and enjoyed every moment of it.

Our Ministry of Electronics & IT, Govt. of India has initiated a Cyber Awareness Campaign titled 'Stay Safe Online'. The objective of the campaign is to raise awareness among the various user groups on safe use of social media platforms, informed usage of digital payment and internet across India. Students and youth use social media platforms heavily and also fall prey to online fraudsters and cyber criminals. Creating awareness among students and youth about the safe usage of social media, e-commerce, online payment and other usage of internet in Hindi, English and regional languages, is the best way to save them from cyber fraud and online harms. 'Stay Safe Online' campaign is an effort in this direction. In view of above, we conduct an awareness programs on 'Stay Safe Online'
