BLUE DAY

Muthamil Public School's twinkling stars of kindergarten celebrated Blue Day. It was a pleasant and cool blue day for the tiny tots. The significance of the blue colour was reiterated through a series of activities. Students were asked to come to school dressed up in different shades and hues of blue and were taught the different shades of blue. Excitement and enthusiasm were visible everywhere. "Blue – the colour of loyalty, strength, wisdom, and trust had a very positive impact on tiny tots bringing in harmony and brotherhood". An array of blue-coloured objects like umbrellas, balls, clouds, flowers etc. were on display thus providing the students with opportunities to have a clear sense of the colour and its importance. Children spoke about their favourite blue colour object. They were also taught the uses of 'This/That'. Blue Day was an amazing learning experience which had a long-lasting effect on each student. Early identification of colours helped to create the cognitive link between visual clues and words which is an important part of a child's development. It was indeed a visual treat for the parents who came to see our little ones' Blue Day celebration.

EDUCATIONAL TRIP

We believe in all round awareness and development of students. On 31/7/2023, our kindergarten students went on a field trip to Nachiyar Super Market as part of extended learning on “Food we eat and neighbourhood places”. Our students identified healthy and unhealthy food enthusiastically.

A supermarket is a wonderful place for children to be made aware of and learn about different kinds of foods and other things available there. On their visit to the super-market, children were made to identify the types of foods found there. They were shown different sections of the supermarket (fresh fruits & vegetable section, grain section, toiletry section, meat/dairy/frozen food section, bakery, and canned goods, toys, etc.)

Teachers explained to them how things are bought, billed and paid for. This taught them the feeling of responsibility. Some students shared their shopping experience which they had with their parents in the same supermarket. This gave the students an opportunity to see, smell, buy and learn about commodities that are available in a shopping mart and how it is purchased by people for their daily use. On the whole, it was a fun-filled learning experience for each child. We hope these experiences will help our students to make the right choice when it comes to healthy eating and they will become more independent.

Fruits Day

"HAVE FRESH FRUITS IF YOU WANT TO LEAD A FRUITFUL LIFE."

With an objective to create and educate children about the importance and consumption of fruits in regular diet, the blooming buds of MPS kindergarten celebrated Fruit Day Activity to promote the idea of "Eat healthy live healthy."

Educational trips are always intriguing and exciting for all, especially for the students. Muthamil Public School's young explorers delved into the fascinating world of maritime operations at Tuticorin Port. They witnessed the massive cargo ships, and cranes in action. Students learned about the intricate logistics that keep the port bustling. From shipping containers to container terminals, our students gained insights into the global trade network and the vital role the port plays in it.

TUTICORIN PORT EXPLORATION

To honor and promote the country's rich tradition of handwoven textiles every year August 7 is celebrated as National Handloom Day. It is a significant occasion that celebrates the artistry, craftsmanship, and cultural heritage of handwoven textiles. This day pays homage to the intricate skills of weavers and the timeless beauty of fabrics created using traditional methods. Muthamil Public School organized an educational tour to Pathamadai, for students of Grades I and II to experience the making of pottery and weaving mats. Students full of excitement and enthusiasm were enthralled to go and visit and learn the process of weaving, the materials used, and the cultural and historical significance of weaving in various societies. Handloom Day recognizes their contribution and strives to provide them with the support they need to preserve and pass down this art form to future generations.

VISIT TO AQUA FARM ADVENTURE

After the informative visit to Tuticorin Port, students of grades VI to VII headed to Rajan Aqua Farm, the students were immersed in the world of aquaculture. They discovered the intricate methods of fish farming and sustainable practices. The farm visit allowed them to understand the balance between ecological conservation and responsible aquaculture. Feeding the fish, observing different aquatic species, and learning about water quality management were highlights of this interactive experience. After learning so much about water-borne creatures, our students bought many eye catchy colorful fishes to imprint their sweet moments at home.

DRUG AWARENESS DAY

It was a significant day as our amazing students took a powerful pledge against drugs on the occasion of Drug Awareness Day. We believe in educating, empowering, and making informed choices, and this event embodies just that. The event was graced with the august presence of Mr. Innose Kumar, Inspector at Muneerpallam Police Station, who had joined us as a beacon of support and guidance. Let's stand united against the lure of drugs, making a promise to ourselves and our community for a healthier and brighter future. Our students lead by example, showcasing their dedication to positive choices and a drug-free life.

MASTER JACK'S REMARKABLE ACHIEVEMENT

With unparalleled dedication, precision, and unyielding spirit, Master Jack of grade XII from Muthamil Public School proved his mettle on the international archery stage. Within a time frame of 2 ½ hours, Master Jack scored 30,000 Arrow Shots. This event took place in Sri Lanka on 21-07-2023. His extraordinary performance not only secured victory but also etched his name in the annals of history by setting a World Record. This achievement reflects his unwavering commitment and relentless pursuit of excellence.

ELEPHANT DAY

12th August

"Elephants are the cutest and the friendliest animals on the planet and we must keep them Safe" MPS celebrated "World Elephant Day " in an innovative way on 12th August 2023 to create awareness with regard to the significance of Elephants and the indispensable role they play in afforestation. The Special Guests for the day were Dr. Raja Mathivanan the Founder of Arumbugal Trust and Mrs. Latha Mathivanan the Director of Arumbugal Trust who were accompanied by their Troupe of Performers. The event began with a welcome address by our Principal, Mrs Mary Rani followed by a motivational speech highlighting the essential role of the Elephants and the due need to preserve the endangered species. The Troupe of Performers from Arumbugal Trust enacted an Opera to instil awareness against plastics and the steps one has to follow to save the Birds, Elephants, and Animals the Guardian Angels of the Forest - the future of Human beings. Mrs. Latha Mathivanan addressed the students

infusing in them the love for Nature. Students of Arumbugal Trust in coordination with kalakkad Mundandurai Tiger Reserve Eco Development Zone planned to organize an "Eco awareness message on wheels program" along with Eco club students of MPS from Tirukkuranakudi to Papanasam to propagate the theme "Avoid plastics, Save Birds and Animals from Extinction", and "Go Clean Go Green" The Students imbibed the message through the mode of Entertainment and pledged to contribute towards this noble cause.

Empowering Change Across Communities!
We're thrilled to share the incredible impact of the Aadi Amavasi Environment Protection Awareness event organized by the KMTR Environmental Development Committee, Arumbugal Trust, and Muthamil School. This initiative spanned across various locations including Thirukangudi, Kalakad, Cheranmahadevi, VK Puram, Ambai, and Papanasam.

Taking a Stand Against Plastic

In each of these places, the collective effort to establish Plastic-Free Zones was inspiring. By reducing plastic use and promoting sustainable alternatives, we're nurturing a greener environment for all. These small steps echo loudly in our commitment to a cleaner, healthier planet.

Reviving the Yellow Bag Movement

The "Back to Yellow Bag" campaign resonated strongly in every location. Reusable yellow bags are not just a practical choice; they symbolize our dedication to preserving nature. It's heartwarming to witness these bags becoming a part of our daily lives once again.

We extend our gratitude to everyone who participated, supported, and spread the message. This is a testament to the power of community-driven change. Let's carry this momentum forward and continue to make our world a better place. Together, we're shaping a brighter, greener future!
