## HAPPY DIWALI

Spreading the Light of Safety this Diwali! This Diwali, the Fire Safety Department of Tirunelveli took a commendable step to ensure our celebrations are both joyful and safe. Our local heroes, the Firefighters, paid a special visit to our school to share valuable insights on celebrating Diwali with utmost safety. They not only demonstrated the correct way to handle firecrackers but also educated our students about the potential dangers and how to avoid them. It was a fantastic and educational session that our students will cherish forever. We are immensely grateful to the Fire Safety Department for their commitment to our community's well-being. Let's celebrate Diwali responsibly and ensure that the festival of lights remains a joyous and accident-free occasion for all.
