It is a great learning activity that helps the children understand the concept of secondary colours, build language skills, inspire visual thinking, and increase engagement. Orange is a fun, dynamic colour and radiates warmth. It stimulates activity, appetite and encourages socialization. Having colour-themed days is a great way to introduce & reinforce the colours to young children. Muthamil Public School twinkling stars celebrated 'Orange colour Day & LKG class presentation'. The day began with a special assembly followed by LKG class presentation. LKG students enacted skit for healthy eating habits, preposition and how to take care of their belongings. "Parliament is the supreme legislative body, and its right to make law is unlimited." In the spirit of democracy and civic education, Our Students of grade IX enacted and brought a replica of our Indian Parliament to our School. Students witnessed a dynamic simulation of parliamentary proceedings that was both educational and entertaining. The concept of a mock parliament provides our students with a valuable opportunity to step into the shoes of legislators, debating critical issues that affect our society. It is a platform where they can express their opinions, develop public speaking skills, and gain a deeper understanding of the democratic process. To add stars to this event we had Ms. Vijila Sathyananth, M.Sc., B.Ed, MBA, PGDCA, Former member of Parliament, and also the former Mayor of Tirunelveli

amongst us. She is a woman who has reached the heights of success and who can always be admired. MPS also had the honor to know her thoughts on the importance of education and the role it plays in shaping the future of our nation. She shared her knowledge and insight which was a great learning for every individual.

In MPS, Christmas was marked by vibrant decorations, including Christmas trees adorned with lights and ornaments, wreaths, and festive lights. Christmas celebrations at MPS were a festive amalgamation of joy and learning. The festivity was at its peak during the Christmas celebration on 16-12-2023. Students from KG-Grade XII eagerly participated in various activities including Carol singing by both students and Teachers. Students danced to the various Christmas beats classical and western. The play depicting the nativity scene was staged by our students of grade XI. An inspiring speech was delivered by the Correspondent mam and Principal mam, where they highlighted the message – regardless of religious affiliation, we can all embrace the universal message of Christmas – the

message of hope, peace, and the power of unity. The parents were shell-shocked by their ward's performances. The school premises were transformed into a winter wonderland adorned with colorful lights and themed decorations. Amid our busy lives, it's important to pause and appreciate the significance of Christmas. Beyond the exchange of gifts and the glittering lights, Christmas embodies values that are at the core of our educational institution – love, compassion, and the joy of giving.
