Trekking Trip to Valanadu Sanctuary

A Journey Toward Leadership and Conservation!

Muthamil Public School, in collaboration with Ganesh IAS Academy, organized an inspiring trekking trip to the Valanadu Sanctuary. This adventure not only ignited the spirit of exploration but also instilled essential values like discipline, leadership, and environmental stewardship—key traits for aspiring IAS officers.

A heartfelt thanks to

Mr. Ganesa Subramanian, Founder and Director of Ganesh IAS Academy, for his vision and dedication in shaping future leaders. Guided by forest officials, our students scaled the peaks with enthusiasm, immersed themselves in nature, and learned about the sanctuary's diverse wildlife.

This trip was more than just an adventure; it was a step toward shaping tomorrow's leaders who care for the

environment and society.

Swipe through the memories and celebrate this enriching experience with us!

Special appreciation to Forest Guard Mr. Selvaraj for his insightful session on wildlife conservation and the significance of preserving our ecosystem.

A Historic Victory for Chess
Master Gukesh Dommaraju!

Heartiest congratulations to
Gukesh Dommaraju on
winning the Youngest World
Chess Championship! This
monumental achievement is a
testament to your
extraordinary talent,
determination, and hard work.

You've not only made India
proud but have also inspired
millions to dream big and aim
high. Your journey is a shining
example of excellence and
perseverance!

Orange Day Celebrations

Our tiny tots joyfully celebrated Orange Colour Day with enthusiasm and creativity. Dressed in vibrant orange attire, they brought along orange-coloured objects, snacks, and food, adding a cheerful splash of color to the day. The children had a delightful time making and drinking fresh orange juice, which they enjoyed thoroughly. They also spoke about various orange-coloured objects, enhancing their confidence and

communication skills. The day was filled with fun, hands-on activities, creating memorable learning experiences. We are thrilled to share these wonderful moments with you!

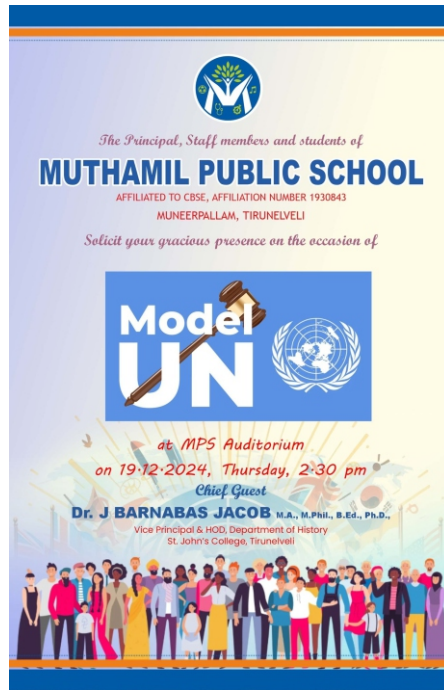

Model United Nations at MPS

Model United Nations at Muthamil Public School On Thursday, 19th December 2024, Muthamil Public School hosted a Model United Nations (MUN) program in the school

auditorium. The event aimed to develop students' leadership, public speaking, and global awareness. Each participant represented a different country and delivered speeches on pressing international issues, simulating the real proceedings of the United Nations. We were honored to welcome our Chief Guest, Dr. J Barnabas Jacob, M.A., M.Phil., B.Ed., Ph.D., Vice Principal and Head of the Department of History at St.

John's College, Tirunelveli, who shared valuable insights and encouraged the students to think beyond boundaries. The MUN experience allowed students to step into the shoes of diplomats, enhance their confidence,

and cultivate a sense of global responsibility. It was a truly engaging and enriching session for everyone involved.

An Awareness Campaign at MPS by Arumbugal Team Under the guidance of the Chief Minister, Mr. M.K. Stalin, and initiated by our District Collector, an awareness rally for the conservation of the majestic Nilgiri Tahr was launched yesterday.

Today, Muthamil Public School had the privilege of hosting the rally's starting point, showcasing its commitment to environmental awareness and preservation. The Arumbugal Team, led by Mr. and Mrs. Mathivanan, staged a street drama to educate our students about the importance of biodiversity and the fragile ecosystem of the Nilgiri Tahr.

Our Chairman, Mr. Amarvel Babu, continues to emphasize grassroots efforts to ensure the survival of this iconic species while nurturing eco-consciousness among our students. Together, we take pride in being part of this significant conservation initiative

Conservation of Nilgiri Tahr

Merry Christmas

Christmas Celebration at Muthamil Public School

Our Christmas celebration was a grand showcase of talent and joy!

The event was filled with incredible performances by our students:

The school choir mesmerized us with their beautiful songs.

Kindergarten kids stole the show with their adorable and

energetic dance performances.

Skits and plays, including the Nativity play, brought the Christmas story to life.

Bible stories and readings filled the atmosphere with hope and inspiration.

A heartfelt thanks to our Chief Guest, Rev. Peterson Paul Ebenezer, Pastor of Fort English Church, for delivering a wonderful message about the Good News. His inspiring words truly captured the spirit of Christmas!

We are proud of our talented students for making this celebration so memorable. Wishing everyone a joyful and blessed Christmas season!

CBSE CORNER

The Ministry of Jal Shakti, Government of India, is actively working to enhance the management of the country's water resources—a crucial initiative in the face of climate change. Achieving this goal requires the collective efforts of all stakeholders. Since 2018, the ministry has been organizing the National Water Awards (NWAs) to recognize and honor individuals and organizations adopting innovative practices in groundwater conservation, rainwater harvesting, water recycling, and sustainable water management. For Muthamil Public School, this was a golden opportunity to contribute to a cause we are deeply passionate about. Committed to environmental sustainability, we proudly applied for this prestigious award. Our dedication to green initiatives was recently recognized when we were honored as Green Champions, adding another feather to our cap in our ongoing journey towards a better, greener future.
