

MPS SUMMIT

After a short vacation, our beloved students are back, filling our campus with joy and excitement! The laughter, the chatter, and the eagerness to learn make this day truly special.

A warm welcome to our new students and parents who joined the Muthamil Public School family today! Seeing little hands waving goodbye and bright smiles stepping into a world of learning is a heartwarming sight.

Here's to a fantastic new academic year filled with learning, growth, and endless possibilities

Top fan

Balasubramanian

May God bless you for ensuing year with good performance in all your endoures.

NEW DELHI

Delhi Trip - Visit to Taj Mahal

Taj Mahal, Agra

As part of Muthamil Public School's educational tour, our students embarked on a vibrant and unforgettable journey across North India — exploring rich heritage, breathtaking architecture, and cultural wonders. Every location became a living classroom, blending history, science, art, and spirituality, making learning come alive beyond textbooks!

□ One of the Seven Wonders of the World!

Words fall short as our students stood before the Taj Mahal—a breathtaking symbol of eternal love and architectural brilliance. A moment of awe, learning, and lasting memories.

Delhi Trip - Visit to Taj Mahal

Red Fort & India Gate, Delhi

✧ As part of Muthamil Public School's educational tour, our students embarked on a vibrant and unforgettable journey across North India — exploring rich heritage, breathtaking architecture, and cultural wonders. Every location became a living classroom, blending history, science, art, and spirituality, making learning come alive beyond textbooks! □✧

Parliament & Rashtrapati Bhavan, Delhi

As part of Muthamil Public School's educational tour, our students embarked on a vibrant and unforgettable journey across North India — exploring rich heritage, breathtaking architecture, and cultural wonders. Every location became a living classroom, blending history, science, art, and spirituality, making learning come alive beyond textbooks!

A proud moment as our students explored the Parliament House and Rashtrapati Bhavan, understanding the democratic structure and governance of our great nation. They witnessed where decisions shaping India's future are made!

Qutub Minar, Delhi

As part of Muthamil Public School's educational tour, our students embarked on a vibrant and unforgettable journey across North India — exploring rich heritage, breathtaking architecture, and cultural wonders. Every location became a living classroom, blending history, science, art, and spirituality, making learning come alive beyond textbooks!

Standing tall and majestic, the Qutub Minar gave students a glimpse into Indo-Islamic architecture and Delhi's medieval history. The stories etched in every stone fascinated our young minds!

As part of Muthamil Public School's educational tour, our students embarked on a vibrant and unforgettable journey across North India — exploring rich heritage, breathtaking architecture, and cultural wonders. Every location became a living classroom, blending history, science, art, and spirituality, making learning come alive beyond textbooks!

A visit to Birla Mandir filled our students with a sense of calm and wonder. They admired its architecture while soaking in the values of devotion and peace.

Bubble Fun for Our Little Stars!

Our adorable PreKG kids had an absolute blast during the Bubble Activity session! With eyes full of wonder and hearts full of joy, the little ones explored the magic of bubbles — blowing, chasing, and popping them using various fun tools! Their laughter echoed through the air as they played, learned, and developed important skills like hand-eye coordination, observation, and social interaction.

தமிழ் புத்தாண்டு கொண்டாட்டங்கள்

இனிய தமிழ்ப் புத்தாண்டு நல்வாழ்த்துக்கள்!

முத்தமிழ் பப்ளிக் ஸ்கூலில் தமிழ்ப் புத்தாண்டு விழா பாரம்பரியமிக்க மகிழ்ச்சியுடன் கொண்டாடப்பட்டது.

மாணவர்கள் பெரும் உற்சாகத்துடன் நிகழ்ச்சிகளில் பங்கேற்று, நடனம், கவிதை மற்றும் நாடகம் உள்ளிட்ட பல்வேறு திறமைகளை அரங்கேற்றினர்.

மாணவர்கள் கலைவண்ணமாக நடித்து வழங்கிய " ஆயை அண்டிரன்" என்ற தமிழரசரின் வாழ்க்கையை அடிப்படையாக கொண்ட நாடகம் சிறப்பாக இருந்தது.

அவர் தமிழ் இலக்கியத்தில் புகழ்பெற்ற "கொடை வள்ளல்கள்" பட்டியலில் ஒருவர்.

அவரது உளமார்ந்த கொடையுடன் கூடிய வாழ்க்கை பற்றிய தகவல்களை அறிந்தது மிகவும் ஆச்சரியமாகவும் பெருமையாகவும் இருந்தது.

எமது மாணவர்கள் தமிழ் மரபும் பண்பாடும் நிறைந்த நிகழ்ச்சியை அரங்கேற்றிய விதம் அனைவரது பாராட்டையும் பெற்றது.

நம் பண்பாட்டையும் பாரம்பரியத்தையும் பேணிப் பாதுகாப்போம்!

Happy
**AMBEDKAR
JAYANTI**

Tribute to the Father of the Indian Constitution – Dr. B.R. Ambedkar □
14th April – Dr. B.R. Ambedkar Jayanti

Today, we pay our humble tribute to the visionary leader, social reformer, and architect of the Indian Constitution – Dr. B.R. Ambedkar.

His relentless fight for equality, justice, and human rights continues to inspire generations.

He taught us the values of education, empowerment, and unity, and ignited the flame of progress in the hearts of millions.

At Muthamil Public School, we remember his contributions with deep respect and recommit ourselves to upholding the ideals he stood for.

“Be Educated, Be Organised, and Be Agitated.” – Dr. B.R. Ambedkar

Let us honor his legacy by building an inclusive, enlightened, and equitable society.

Happy Earth Day!

At Muthamil Public School, every day is Earth Day!

We are proud to share that our continuous commitment to nature and sustainability has earned us the Green Champion Award from the Government of Tamil Nadu.

From tree plantations to eco-awareness campaigns, from clean campus initiatives to student-led conservation drives — we believe in nurturing young minds who care deeply for our planet.

Let's continue to protect, preserve, and celebrate Mother Earth — together.

EARTH DAY

Save the nature

Cyber Security Awareness Program

The first step towards cybersecurity is educating yourself."

Cyber Security Awareness Program
at Muthamil Public School

To equip our students with essential knowledge on digital safety and responsible internet use, Muthamil Public School organized a Cyber Security Awareness Program led by renowned cybersecurity expert and consultant, **Mr. Guru Prasad**.

The session was attended by students from Grades IX to XII, along with faculty members and technical staff. Mr. Guru Prasad began by introducing the concept of cybersecurity and emphasized the importance of using the internet safely and responsibly. He covered vital aspects such as

digital risks students face today. The session concluded with an interactive Q&A, where students asked insightful questions and shared their personal experiences.

This awareness program was a significant step in empowering our students to navigate the digital world with confidence, caution, and responsibility.

protecting personal information, recognizing phishing and scams, preventing cyberbullying, creating strong passwords, practicing safe social media behavior, and responsible online gaming. Through real-life examples, interactive discussions, and live demonstrations, Mr. Prasad effectively engaged the audience and created a strong awareness of the

CBSE CORNER

A Tribute to a Visionary: Dr. Krishnaswamy Kasturirangan We take a moment to honour the extraordinary life and contributions of Dr. Krishnaswamy Kasturirangan, an eminent space scientist, educationist, and the chief architect of India's National Education Policy 2020. A pioneer who bridged science with education, Dr. Kasturirangan led India's space missions through ISRO and later shaped transformative reforms in our educational system. His vision for holistic and inclusive learning continues to guide us today. As a mark of respect, our school will pay tribute to him in a special morning assembly, where students and staff will reflect on his remarkable legacy. Let us be inspired by his life—a true symbol of dedication to nation-building through knowledge and innovation.

CBSE Science Challenge 2025–26 We are happy to announce that our school is participating in the CBSE Science Challenge 2025–26, an exciting opportunity for students of Classes VIII to X. With the theme “Science, Environment and Sustainability,” this challenge encourages curiosity, critical thinking, and scientific reasoning. Students will compete in two rounds — first within the school, and then at the inter-school level. Let's support and cheer for our budding scientists as they explore the wonders of science and work towards a more sustainable future!
