“In this month of warmth and connection, may our students learn that compassion, friendship, and respect are the foundations of a meaningful life.”

Vihaan 9 The Epic Realm of Royals and Wonders

Muthamil Public School proudly celebrated its 9th Annual Day, Vihaan 9, a grand occasion where myth met magic, and talent took center stage. The event beautifully showcased the creativity, confidence, and vibrant spirit of our students, leaving the audience mesmerized. The celebration was further elevated by the gracious presence of our distinguished guests. We were deeply honored to host our Chief Guest, Ayush Gupta, whose inspiring address encouraged students to strive for excellence with integrity and vision. We were equally privileged to welcome our Guest of Honour, V. Dinesh, who shared valuable insights on communication, perseverance, and success in today's world. Their presence added great prestige to the event, motivating our young learners to dream big and embrace the wonders of the future. Vihaan 9 was not just a celebration, but a reflection of our commitment to nurturing talent, values, and excellence.

A Musical Journey of Inspiration

As part of our 9th Annual Day, Vihaan 9, the stage came alive with a mesmerizing musical experience that reflected both global unity and powerful motivation. The celebration began with the proud rendition of the School Anthem by our Grade XII students, setting a tone of dignity and pride. The choir then took the audience on a delightful journey with "It's a Small World," spreading a message of unity and togetherness across cultures. Adding to the inspiration, the performance of "Never, Never, Never Give Up" echoed a strong message of determination and

resilience, leaving the audience truly uplifted. The harmonious voices and confident performance of our students made it a memorable highlight of the celebration.

The Captains of the Clouds

Our Student Compères During Vihaan 9, a remarkable role in guiding the entire event with confidence and charm. They began the evening with grace and professionalism during the formal session, warmly welcoming dignitaries and setting a dignified tone for the programme. As the event progressed, they seamlessly transitioned into the informal session, creatively taking on the role of “pilots” and leading the audience on an imaginative journey through the various

performances. With their engaging presentation and excellent coordination, they ensured a smooth and memorable experience for everyone present. Their confidence, creativity, and stage presence truly elevated the celebration.

A Literary Milestone: The Girl from Neverland As part of Vihaan 9, our 9th Annual Day celebration, we proudly witnessed a remarkable achievement—the official book release of *The Girl from Neverland*, authored by our talented student, Sara Abigail. This special moment highlighted the creative spirit we nurture at Muthamil Public School. Sara's accomplishment stands as an inspiration to all students, proving that with imagination, dedication, and confidence, dreams can truly become reality. We congratulate Sara on this outstanding achievement and wish her continued success in her literary journey.

The Grand Showcase of Talent

An exciting blend of music, dance, drama, and creativity brought the stage alive at Vihaan 9. From enchanting choir performances and captivating skits to vibrant cultural acts and theatrical presentations, each performance reflected the talent, confidence, and imagination of our students. The variety entertainment segment was a true celebration of art and expression, leaving the audience mesmerized and inspired.

*Eco Club Visit -
A Step Towards Sustainable Living*

Our Eco Club students had an enriching and informative visit to an organic farm, where they gained valuable insights into traditional and sustainable farming practices. The session included an introduction to the history of the farm and a detailed explanation of organic methods, particularly the preparation of natural fertilizers using vermicomposting techniques. Students observed and understood how eco-friendly practices contribute to healthy agriculture and environmental conservation. The visit was a truly eye-opening experience, inspiring our young learners to appreciate and adopt sustainable living practices.

*Culinary Club
Serving with Love and Compassion*

Our Culinary Club students turned their learning into a meaningful act of service by visiting Anbu Illam Old Age Home. Going beyond a regular cooking session, the students planned the menu, purchased ingredients, and prepared Sambar Rice and Sweet Payasam with great care. They then personally served the food to the elderly residents, sharing not just a meal but also warmth and compassion. This heart-touching experience taught our students that true learning lies in kindness, empathy, and the joy of giving.

*Media Club Achievement -
A Proud Victory*

Muthamil Public School proudly celebrates the remarkable achievement of our Media Club students, who secured First Prize in the Short Film Competition at the Porunai Book Fair, Tirunelveli. What makes this accomplishment truly exceptional is that the entire short film was independently conceptualized, directed, acted, filmed, and edited by our students. Their

creativity, teamwork, and technical excellence reflect their dedication and passion for filmmaking. The students were honored with certificates and prizes by Dr. Sugumar, making the moment even more memorable. We extend our heartfelt congratulations to our Media Club students and their mentor for this outstanding success.

CBSE CORNER

Pariksha Pe Charcha 2026

Our school arranged a live telecast of Pariksha Pe Charcha 2026 for students of Classes VI and above. Students watched the inspiring session by Narendra Modi, gaining valuable insights on handling exams with confidence and a positive mindset. It was an enriching experience that encouraged our learners to stay focused, fearless, and determined in their academic journey.
