SKY WATCH - A Night Under the Stars

Muthamil Public School hosted *Sky Watch 2026*, giving students an exciting opportunity to explore the wonders of astronomy. Under the guidance of *Mr. P. Marilenin, District Science Officer*, students learned about planets, satellites, telescopes and celestial objects through interactive sessions and telescope observations. They were thrilled to observe *Venus and other celestial objects* in the night sky.

The *Astronomy Vehicle from the District Science Centre* added to the experience with engaging demonstrations on space science. The evening concluded with a special dinner, as students enjoyed their meal together *under the stars and the beautiful Moon*. A memorable night of learning, exploration and wonder!

A Day of Smiles, Laughter & Positive Vibes Muthamil Public School welcomed popular actor Sathish for an inspiring and refreshing stress-buster session with our Grade X & XII students and teachers. Through lively interaction and humour, he encouraged students to stay focused on their studies, maintain a positive mindset, avoid

harmful habits and make responsible choices for a bright future. The session was filled with smiles, laughter and meaningful messages, creating a memorable experience for our students. Our heartfelt thanks to Actor Sathish for sharing his positivity and valuable guidance, and to Mr. Stalin, MS Associates, for making this wonderful programme possible. Stay Positive.

Stay Focused. Stay Strong.

Krishna Jeyanthi Celebration Muthamil Public School celebrated Krishna Jeyanthi with joy, devotion and colourful activities. Our little stars from KG to Grade 2 participated enthusiastically and brought the festive spirit alive on campus. The celebration featured Krishna-themed dance performances, devotional songs, a colourful drama, fun-filled games and an exciting Uriyadi. The joyful participation, energetic performances and innocent smiles of our young learners made the celebration truly memorable. May Lord Krishna bless our little ones with happiness, wisdom, love and joy!

FROM MUTHAMIL TO THE NATIONAL STAGE! Congratulations to Biju Mukeshan K of Grade VIII on his selection for the CBSE South Zone U14 Boys Cricket Team and his opportunity to represent the team at the National Level. Biju's dedication, determination and passion for cricket have brought great pride to Muthamil Public School. Heartiest congratulations to Biju, with special appreciation to our Cricket Coach, Mr. Kartik, for his dedicated training and guidance. We wish Biju continued success as he takes the next step on his sporting journey.

VINAYAGAR CHATURTHI CELEBRATION

Muthamil Public School celebrated Vinayagar Chaturthi with devotion, creativity and joy. Our young learners beautifully showcased our rich cultural traditions through a variety of performances and activities. The celebration featured graceful Bharatanatyam, a colourful Bal Ganesha drama and traditional Bommalattam, bringing stories of Lord

Ganesha to life. The festive spirit continued with Kolukattai, as children shared the traditional delicacy with their friends, spreading happiness and togetherness. A vibrant celebration of culture, tradition and joyful learning!

May Lord Vinayagar bless our children with wisdom, creativity, courage and happiness.

A NEW CHAPTER IN LEARNING Muthamil Public School welcomed education professionals from Finland for an inspiring interaction on Finnish pedagogy and innovative approaches to teaching and learning. Ms. Laura Maria Sinsalo, Mrs. Reshmi and Mr. Sakthivel Manickavasagam shared valuable insights into experiential learning, student wellbeing, collaboration and future-ready education, along with an introduction to OPPI Learning Materials. Muthamil Public School is exploring the integration of Finnish-inspired learning approaches from the next academic year. A meaningful step towards joyful, innovative and future-ready learning!

LEARNING BEYOND BORDERS

Muthamil Public School hosted an engaging interaction with the Finnish Education Team, giving students and teachers valuable insights into the Finnish education system. Ms. Laura Maria Sinsalo interacted with Grade IX to XII students, sharing about classroom practices, student life, curriculum and the role of AI in education. Students enthusiastically participated and explored their questions about learning in Finland. Mrs. Reshmi, Consultant – Finnish Curriculum, interacted with teachers on innovative teaching methodologies and classroom practices.

SA1 EXAMS COMPLETE | VACATION BEGINS! The SA1 Examinations have successfully concluded, marking the beginning of a well-deserved vacation for our students. The final day was filled with excitement as students participated in House-wise Cricket and Basketball matches, celebrating teamwork, sportsmanship and friendship. Our teachers also surprised students with thoughtful activity gifts, adding to the joy of the day.

A wonderful way to wrap up the term with learning, laughter and happy memories! Wishing all our students a happy, safe and refreshing vacation!

MUTHAMILIANS FOR A C L E A N E R THAMIRABARANI.

On World Environmental Health Day & World Rivers Day 2026, our Grade IX & XI students joined a river cleanup at Suthamalli Check Dam. Students collected plastic bottles, discarded clothes and other waste, learning the importance of protecting our rivers and environment. Guided by V. M. Chathram Development Trust and EGG Foundation, the students experienced a meaningful day of service, teamwork and environmental awareness. CBSE CORNER

CBSE Circular – E-Waste Awareness & Collection Drive
 CBSE has launched a nationwide E-Waste Awareness Campaign and Collection Drive under Eco Clubs for Mission LiFE. The initiative aims to create awareness among students about the harmful effects of e-waste and promote its safe and responsible disposal. Schools are encouraged to:- Set up an e-waste collection corner. Conduct awareness programmes and student

activities. Encourage students to bring obsolete electronic items from home with parental consent.

Ensure that collected e-waste is handed over only to authorised recyclers. Students must not open, dismantle or handle hazardous electronic items. The campaign's

implementation and collection phase runs from 1 October to 31 October 2026.
